

SEATTLE MATH CIRCLE

October 30th, 7pm
@ The Downtown School

CONWAY'S GAME OF LIFE

Join math teachers from independent schools in the Seattle Area to learn about John Conway's Game of Life and then explore how the game works through experimentation and creative problem solving.

Snacks and coffee will be provided. Limited parking available in the lot behind the school.

Questions about the event can be directed to Hudson.Harper@downtownschoolseattle.org.
